* All areas are self-identifying by the individual at the time of BNL intake form completion

BNL Summary Table - Highlights on Active Homelessness in HRM

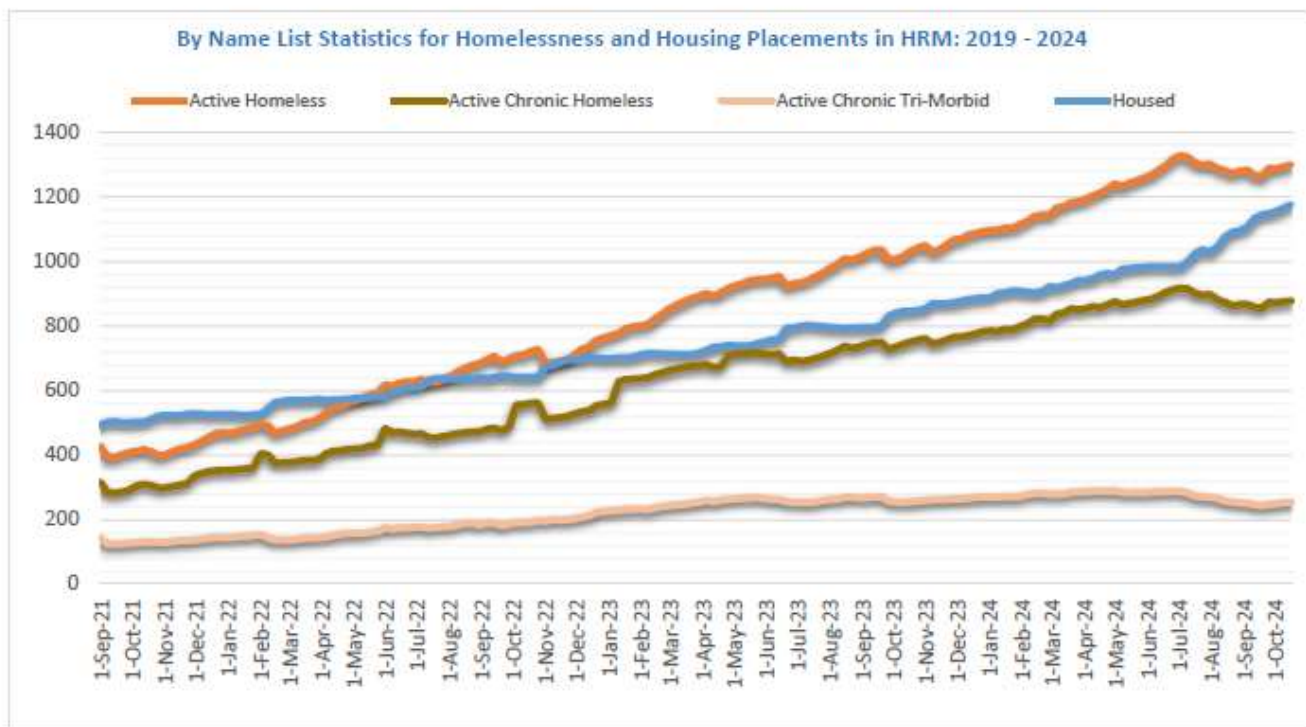

Week of 16-Oct-24

Highlights of the Week of October 16, 2024

	Current Week	Previous Week	Changes: +
BNL Total	2938	2923	15
Active Homeless	1298	1291	7
Active Chronic Homeless	876	874	2
Active Homeless Tri/Co Morbid	252	251	1

This past week, 15 new individuals were added to the BNL for the first. 14 individuals and/or families were updated as housed and 6 individuals and/or families were updated to returned to homelessness. It's important to note, updates that are received each week may reflect changes that have occurred this week, however some may be older updates that were only reported this week.

Note: +/-positive numbers identify that more people entered homelessness since the last report and -/negative numbers identify that fewer people are experiencing homelessness (become "inactive" or "housed")

Note: The impact of few affordable housing options - with only 2.4% of the rental options affordable to households in the lowest 20% of income distribution, lowest vacancy rate of 1% and higher levels of rental arrears - correlates with marked increases to the number of households experiencing homelessness in 2023 and onward. (CMHC Rental Market Report, 2023)
