  - Unknown – **0**

\* All areas are self-identifying by the individual at the time of completing the BNL intake form

**BNL Summary Table - Highlights on Active Homelessness in HRM**

**Week of 05-Dec-23**

Highlights of the Week of December 5, 2023	Current Week	Previous Week	Changes: +
BNL Total	2359	2352	7
Active Homeless	1068	1066	2
Active Chronic Homeless	765	764	1
Active Homeless Tri/Co Morbid	263	263	0

**Note:** +/-positive numbers identify that more people entered homelessness since the last report and -/negative numbers identify that fewer people are experiencing homelessness (become "inactive" or "housed")

**Note:** The impact of few affordable housing options - with only 3% of the rental options affordable to households in the lowest 20% of income distribution, lowest vacancy rate of 1% and higher levels of rental arrears - correlates with marked increases to the number of households experiencing homelessness in 2022 and onward. (CMHC Rental Market Report, 2022)
